

DECLARATION

On the basis of the declarations received from our raw material suppliers we can confirm that our electrostatic films

DO NOT CONTAIN

Any of the Annex XIV candidate chemicals proposed to be Substances of Very High Concern (SVHC)

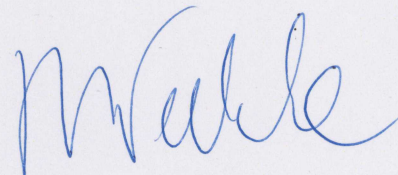

(List as of June 25, 2020) above the 0.1% threshold as stated in REACH (Article 57, Regulation No. 1907/2006, Regulation No. 109/2012) determined either through (i) non-use of the substance, (ii) mass balance calculation, or (iii) specific testing.

The current list of all SVHCs can be found at the following link to the ECHA website:

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

nor are they intentionally added in the manufacture of the formulation of our products by us or by our raw material suppliers

This document has a validity of 1 years from the date of issue. Any modification to the formulation of the material made within such period of time which might invalidate this document will be communicated to you in due time.
